

but you have heavy  
feelings of love...

weighing your  
friendship down.

Finally putting your love  
out in the open...

and it creates a wave that  
devastates your friendship?

This means your friendship  
was flimsy

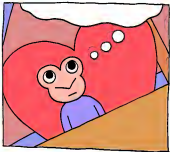

and probably not worth saving.

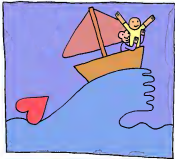

You are good friends

You imagine what would  
happen if you confessed...

you'll feel lighter.

and living forever after  
on your lovely love-boat.

# HOW LOVE

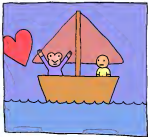

annyeerda asks:

what happens when you  
fall in love with your  
best friend? Should you  
confess? What would  
happen if you confess?

But what if your confession  
doesn't go so well...

If your friendship is made  
of strong stuff, it will  
survive your confession...

and whatever the outcome...
